Location: The house is located in Ñuñoa, a city district which is in the East of the center of Santiago. The bus connections in this neighborhood are well organized, which enables one to reach the city center and other districts easily. Additionally, bicycle lanes on the nearby streets Ricardo Lyon and Simon Bolivar could serve as alternative means of transportation.

Residents: Alejandra (1984) lives in the house together with her partner Giovanni (1987). Alejandra is self-employed and owns a tourism agency. Giovanni is a salesman.

Pets: There are 3 little poodles inside the house, and a middle sized dog outside.

Bedroom/s: The 20 m2 big room is equipped with a double bed, nightstand, commode, wardrobe and a mirror. Blankets, bedspreads, as well as sheets are available. The room has one big window with view to the patio. The floor is made from wooden parquet.

Bathroom/s: You share the bathroom with one other resident.

Features: A washing machine as well as detergents are available for usage (once a week). The usage of the heating system will be charged with additional 15.000 CLP. It exists a catalytic cylinder gas oven. Additionally, there is a cleaning lady coming to the house once a week. However, it is required to keep the house clean and in order. The house has 4 big rooms, three of them are inside the house and the fourth one is outside, and is located completely independently. All rooms have Wifi and TV.

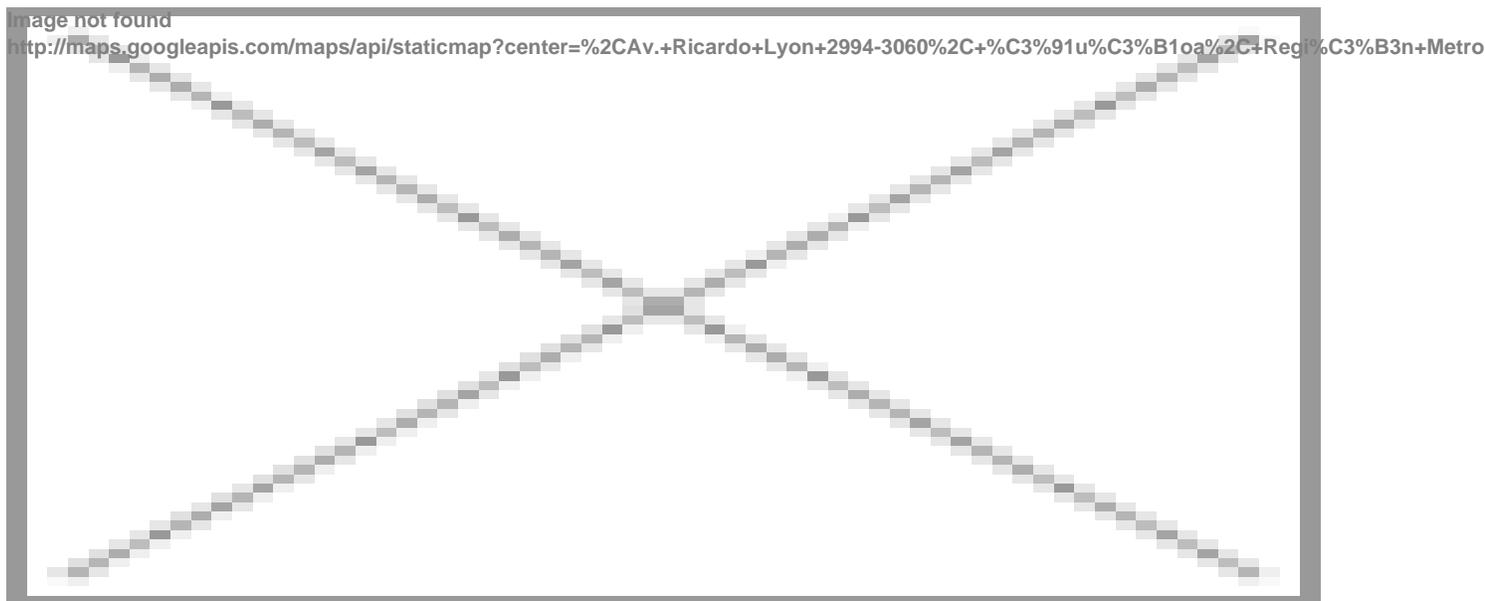

Comments: Guests are only allowed in the common areas. Staying overnight will be charged with additional 10.000 CLP per night. There is a phone available, which can be used for an additional charge. The owners of the house are smokers.

Rent and additional costs:

Room rental, 1 person: 220.000 Pesos / month
